Projects Submitted for 2026-2031 CIP

Project Name: Tennis Courts		Department Priority __1__ of __1__ projects
Department: Recreation		
Primary Effect of Project: (check one)	<input checked="" type="checkbox"/> Replace or repair existing facilities or equipment <input type="checkbox"/> Improve quality of existing facilities or equipment <input type="checkbox"/> Expand capacity of existing service level/facility <input type="checkbox"/> Provide new facility or service capacity	
Service Area of Project: (check one)	<input type="checkbox"/> Region <input type="checkbox"/> Town-wide <input type="checkbox"/> School District <input type="checkbox"/> Neighborhood <input type="checkbox"/> Town Center <input type="checkbox"/> Street <input checked="" type="checkbox"/> Other Area	
Project Description: Remove present surfaces of tennis and basketball courts, add drainage as needed, repave all the courts, apply the finish coat on top of the asphalt surfaces, apply surface paint and appropriate court lines to each court. Replace net post on each tennis court. Replace and/or repair fencing surrounding tennis courts as needed.		
Rationale for Project: (check those that apply, elaborate below)	<input checked="" type="checkbox"/> Urgent Need <input checked="" type="checkbox"/> Removes imminent threat to public health or safety <input checked="" type="checkbox"/> Alleviates substandard conditions or deficiencies <input type="checkbox"/> Responds to federal or state requirement to implement <input checked="" type="checkbox"/> Improves the quality of existing services <input checked="" type="checkbox"/> Provides added capacity to serve growth <input checked="" type="checkbox"/> Reduces long term operating costs <input checked="" type="checkbox"/> Provides incentive to economic development <input checked="" type="checkbox"/> Eligible for matching funds available for a limited time	
Narrative Justification: Tennis and basketball courts have large cracks in the surfaces. We have repaired the cracks several times, but in order to get the courts to last another 50 years, they need to be completely redone with proper drainage.
