We were unable to vote in a new chairman or secretary since the unfortunate passing of Jim Green. We did not have a quorum.

Most of the meeting was spent bringing Dan Bouchard, as a new Town Council member, up to speed on our past and recent activity and plans. We are looking forward to collaborating with him.

We discussed the next steps and participation in Old Home Day (Booth 8/16) and our next Expo (9/13 or 9/27).

We discussed the possibility of establishing a memorial garden of sorts at the Senior Center to honor those who have served the senior citizen population and causes in our community.

We would like to follow up with Drew regarding the possibility of an of site meeting/tour at the Senior Center and means to record it.

I have personally contacted Kirsten to gain access to the latest SRC email address so that we can communicate as a group.

In hope of getting more member and public participation **we have scheduled our next meeting for Tuesday May 6 at 2pm**

Feel free to add anything I may have forgotten from the 4/1 meeting
