

# ***Level Up at Your Library!***

## **Children's Summer Reading 2025**

### **How it works:**

This summer, *Level Up at Your Library* during our Summer Reading Program, taking place from June 2 through August 30! The children's program is open to toddlers through 6th graders and includes a variety of fun activities and prizes. Registered children choose a challenging but realistic goal for the number of books to be read over the summer. A reading log will be given to each participant to keep track of the number of books read toward their goal. All books read or listened to count!

### **Registration raffle**

Children who register for our Summer Reading Program by the end of the day on Saturday, July 19 will be entered to win one of three raffle prizes.

### **Half-way there!**

Beginning Monday, July 7, participants that have reached the half-way point to their goal are invited to come to the library to claim a prize. Don't forget to bring reading logs to show us your progress!

### **You did it!**

Beginning on Monday, August 4, once their goal is reached, children may bring in their reading logs to claim their finale prize bag for a job well-done! Children have until closing on Saturday, September 6 to turn their completed reading logs in.
