**Re: Right to Know Request**

Dear Ms. Farrell:

Pursuant to the Chapter 91-A of the New Hampshire Revised Statutes (the New Hampshire Right to Know Law) and RSA 655:41, I respectfully request the following:

1. Copies of any and all petition pages in support of Jill Stein's nomination for President of the United States, either as an Independent or Green Party candidate, dating from September 1, 2023 to present, as well as any accompanying documents and communications.
2. Copies of any records, certificates, filings, certifications, documentation, and/or tally of signatures reflecting the results of any verification of petition signatures conducted by your office in support of Stein's petition to qualify as a presidential candidate.
3. Copies of any and all correspondence from or to any representative of Jill Stein's presidential campaign, or to or from any other individual providing petition pages from September 1, 2023 to present.
4. Copies of correspondence from or to any voter and/or petition signer regarding Jill Stein's presidential campaign from September 1, 2023 to present.

If any record is withheld, please provide the statutory exemption and basis for such withholding. As you know, the RSA 91-A:4 IV(c) requires that an agency respond to a request within 5 business days of receipt of a request. If you need more than 5 business days, please let me know when I might expect the governmental records.

If documents, information, or data can be emailed, please email them to [FOIA@clearchoiceaction.com](mailto:FOIA@clearchoiceaction.com); if they cannot be emailed, please contact me and we can offer a digital storage location or make other arrangements. If possible, please produce records on a rolling basis as they become available.

Thank you in advance for your help!

Sincerely,

A handwritten signature in blue ink that reads "Jessica Post". The signature is written in a cursive style with a large, stylized "P" and "A" at the end.
