Hi Sarah,  
They never sent Debbie or I the refund information based on the email below.  
They must have sent it directly to finance. Not sure, but happy they held up there end and followed through on the refund.

Not sure if this email below would help....

**Subject:** staplers

After a bit of a run around, Amazon agreed to refund us the \$98.38 minus a restocking fee of \$19.00 (normally they will not do refunds after 30 days)  
They should have sent a label to your email and we will need to package them up and use this label. Once they receive them they will credit our account for the approx. \$79  
I also spoke to the Acco company that distributes the stapler and they said that only the Optima Staples should be used with those staplers or they will jam.  
Who Knew☐

Anyway, long story short. Eventually we will get the majority of our money back.

Let me know Deb if these came through or not. Then we will have to find a box that will work.
